

Whisper 200-2 Heating Fan

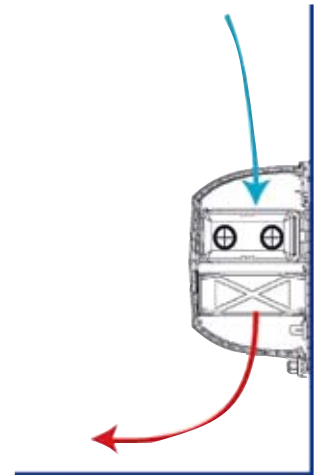

The smallest member of the Whisper family

Whisper 200-2 is a compact heating fan and the smallest fan in the Whisper 200 series, with two axial fans and a very compact design. This fan is perfect for confined spaces, such as the driver's place. With a wide choice of different left or right connections this heating fan can easily be customized to suit your specific requirements.

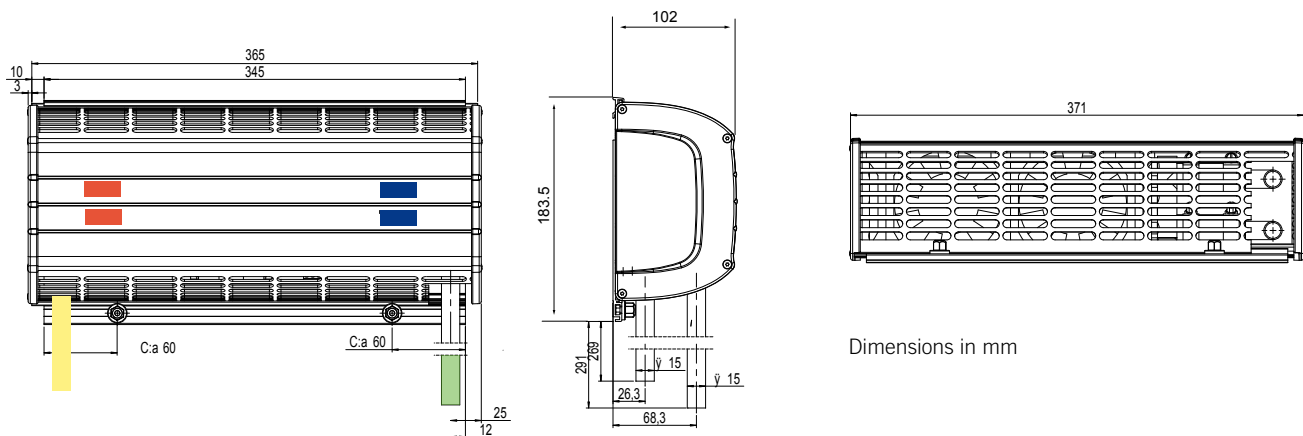

Features

- Heat blower system for interior heating in buses with waterborne heating
- Two axial fans
- Even air distribution
- Very compact
- Long life fans
- Low weight

Technical Data

Output at 28V (kW)	2 kW (Q80), 2,5 kW (Q100)
Air flow at 28V (m ³ /h)	104
Weight	1.8 kg
Nominal voltage	12V (7W) or 24V (9W) DC
Color	Natural anodised aluminium (cover profile), PA6 silver (end plates)
Nominal voltage 12V	183.5 mm
Connection water	Hose Ø 15 mm
Connection electric	Terminal block
Noise	56 dBA
EMC approval	Meets EMC according to directive 95/54/EC

Accessories

Hose adapter 15 x 22	18319
Hose-straight	6951 2811 115
Hose clamp 15, 22	6951 3511 028
Cabling	17179
Installation profile	17583
